right up to your chin,
O-pen wide your lit-tle mouth—
but do not let them in!

O-pen shut them lay them on your lap,
Creep them creep them creep them
O-pen shut them give a lit-tle clap,
O-pen shut them
The big ship sank to the bottom of the sea,
On the last day of September.
O, the Al-ly Al-ly O, the Al-ly Al-ly O,
The Captain said this will never ever do,
O, the Al-ly Al-ly O, the Al-ly Al-ly O.
